#### **ABOUT US**

Ifun Park is a leading manufacturer of indoor playgrounds, trampolines, and arcade games. Founded in 2006, we have achieved rapid and steady growth over the past 18 years. Currently, we have a 20,000 m² modern factory, a 1,000 m² showroom, and a 1,000 m² office in Guangzhou. We adhere to the concept of "Quality First, Customer Supreme" and provide one-stop solutions for our clients.

Ifun Park supported customers from over 160 countries. We have excellent R&D ability, 3D design, sales and technical teams, offering high-quality materials, exquisite workmanship and rich technical experience to make sure safety and fun.

We keep chasing with time, committed to providing advanced products and focusing on the development of entertainment equipment.

## **IFUNPARK ISO9001 Factory**

#### IFun's playgrounds

Our playground conforms to the highest-level certificates in the industry--US ASTM F1918-21, EU 1176 to make sure the high quality and safety. Every project is thoroughly discussed, produced, packaged and shipped, and is eventually complicated with clear installation guidance.

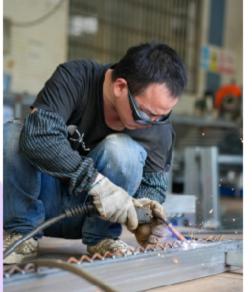

#### **Source factory**

As the largest modern factory in this industry in Guangzhou, our factory has obtained ISO9001 quality system certification. All playgrounds are built by skilled craftsmen using high-quality materials and up-to-date machines. We master the control of each production link, resulting in safe, neat, and long-lasting structures.

#### **IFUNPARK Service Team**

#### Warranty 01

We are glad to become your steady helper. From the moment we begin our cooperation, besides one-year warranty, our customers enjoy life-long tech support.

If you have any question or problem, feel free to contact us. Our after-sale service team will promptly check and fix it. Ifunpark is dedicated to building our century-long enterprise, always prioritizing your satisfaction over profit.

#### IFUN TEAM
